Sir:

**REPLY**

In reply to the Final Office Action mailed September 14, 2007, **the period for response having been extended to February 14, 2008 by a request for extension of two months and fee payment filed concurrently herewith**, attached is a Terminal Disclaimer disclaiming the terminal portion of any patent granted on this application that would extend beyond the term of any patent granted on Application No. 10/537,776. It is believed this should overcome the rejection of claims 13 and 14 for obviousness-type double patenting and claims 19 and 22 dependent therefrom.

While the Examiner indicated claims 15-18 were also objected to, in a telephone conversation with the Examiner on December 17, 2007, it was confirmed that claims 15-18, along with claims 23-25 were allowed.
